In its inaugural year, the NJBIZ Leaders in Real Estate, Construction and Design Awards celebrate individuals and companies changing New Jersey's commercial real estate landscape through development, design, construction, project management, and more.

Nominations for individuals and organizations were submitted through an open process, and then evaluated by an independent panel of judges to determine the 2021 honorees.

You can join NJBIZ to celebrate at the virtual Leaders in Real Estate, Construction and Design Awards program on Tuesday, Nov. 30 from 8:30 to 9:30 a.m., presented by Provident Bank.

To register to attend, and find out more about this year's event, [visit our Events Page](#).
